# PROVA D'INSIEME OPERA FAUST

Gounod's masterpiece, absent from La Scala since 2010, returns in a new production co-produced with the Palau de les Arts in Valencia and the Staatsoper in Berlin.

The production marks the return of conductor Daniele Rustioni and the La Scala debut of director Johannes Erath, winner of the Abbiati Prize.

A rare glimpse into the creative process of an opera beloved for its melodic joy and dramatic naturalness.
