PROVA D'INSIEME OPERA TURANDOT

TEATRO ALLA SCALA

MILANO PER LA SCALA
fondazione di diritto privato

An exclusive opportunity to attend the orchestra rehearsal of Turandot at Teatro alla Scala. Puccini's final masterpiece, which premiered at La Scala in 1926, comes alive in Davide Livermore's sumptuous production for the Puccini centenary. Between technological marvels and artisanal mastery, the production commemorates Toscanini's historic gesture of laying down his baton on Puccini's final note. A rare glimpse into the creative process of a legendary opera.
