# FONTANELLATO

Our excursion will take us to Fontanellato, a charming village in the province of Parma, where history and beauty blend in perfect harmony.

We will visit the evocative Rocca Sanvitale, a water-surrounded castle that tells centuries of history, art, and mystery. The day will continue with moments of conviviality and the flavors of local tradition, before concluding with the unique experience of the Labirinto della Masone a magical place where nature, art, and imagination invite us to lose ourselves, and find ourselves again.
