

Pavia

A day immersed in the historical and artistic beauty of Pavia!

In the morning, we will visit the Certosa di Pavia, a monastic masterpiece and architectural marvel, where construction mastery blends with spirituality, among fascinating cloisters and decorative details of rare elegance.

In the afternoon, we will explore the historic center of Pavia and discover its treasures.

The majesty of the Visconti Castle, a symbol of power and refinement, the solemnity of Pavia Cathedral and the spiritual beauties of San Michele and San Teodoro, medieval churches rich in history and art.

An experience that unites art, architecture and culture in one of Lombardy's most fascinating cities!
