

BRUEGHEL

EXHIBITION

PALAZZO REALE

THE BRUEGHELS
Three generations.

A century of artistic revolution.
More than an exhibition, this is a
journey through time.

From the sharp, ironic gaze
of Pieter the Elder capturing peasant life,
to the visionary genius of Pieter the Younger,
and the international sophistication of
Jan the Elder – the master of
"Velvet and Flowers".

Three giants of art, bound by blood
and brilliance, turning a turbulent
era into timeless beauty.
