OPERA  
**NABUCODONOSOR**

TEATRO ALLA SCALA

MILANO PER LA SCALA  
fondazione di diritto privato

An exclusive opportunity to attend the orchestra rehearsal of Nabucodonosor at Teatro alla Scala. Verdi's breakthrough opera, which in 1842 marked the composer's triumph and the union between Italian melodrama and the spirit of the Risorgimento. Under Maestro Chailly's direction, Alessandro Talevi's new production includes the original divertissements composed for the 1848 revival. A rare glimpse into the creative process of a historic masterpiece.
