## Women in jazz voices of thunder and songs for freedom

Maddalena Antona  
voce

*The concert tells the stories of extraordinary artists: strong and passionate women who, despite being marked by difficult and often countercurrent lives, never stopped fighting: with music, an instrument of denunciation and hope, they tried to awaken an indifferent society.*

*From the heartbreaking intensity of Billie Holiday and the uncompromising strength of Nina Simone, to the eclectic sensitivity of contemporary Joni Mitchell, lives and songs intertwine that, while belonging to different eras, share a single, powerful aspiration: justice.*

Federica Cerizza  
pianoforte

Tarcisio Olgiati  
sax

*Women who left an indelible mark on history not only for their art, but also for their courage; with their songs they denounced injustices, abuses and discrimination, becoming symbols of resistance and civic commitment.*

*A musical and theatrical journey through the voices and words of the great women of jazz.*

*A tribute to their art and their voice, which continues to inspire and provoke reflection even today.*

Annalisa Francesetti
