AUTUMN WORKSHOP

The Last Colors of Autumn

A warm and colorful experience awaits you in this autumn workshop, dedicated to the most generous season of the year.

We will head out together to gather leaves and natural materials,
then transform them into unique creations.
Discover the secrets of leaves and colors,
enjoy an afternoon of small discoveries,
and share moments of pure imagination with equally curious friends.
Among leaves, textures and a touch of nature's magic,
we will create many autumn-themed crafts.
And to finish on a sweet note: merenda for everyone!

Leaves, colors and imagination: autumn becomes art.
