

Trio Views

Daclon / Bavetta / Fiore

The trio formed by *Simone Daclon* (piano), *Carlo Bavetta* (double bass) and *Pasquale Fiore* (drums) returns to the stage to present "Trio Views".

The project brings together original pieces that offer a modern and personal perspective on the piano trio formation. For this evening, the three musicians will complement the compositions from the album with a selection of standards from the jazz tradition, creating a balanced set between exploration and classic atmospheres
