

Italian conversation:

Let's talk about: history, traditions and curiosities

A course exploring words and culture to discover Italy: a country steeped in national identity but also in many regional peculiarities.

We will talk about cuisine, art, history but also about the street names, festivities (like Carnival, New Year's eve etc.) and much more.

A journey to begin to understand the "mosaic of Italy" and feel a little more "local" by learning those very typical idioms!
