Ballet of Lights

SLEEPING BEAUTY

Ballet of lights

A captivating classical ballet
that brings together the fairy tale by Tchaikovsky and Perrault
with fiber-optic light costumes:
every step becomes a trail of light.

An immersive experience for adults and children.

Before the show we will have free time
in Piazza Leonardo da Vinci for an academic stroll and
to admire the monumental façade of the Politecnico di Milano,
or alternatively a Liberty-style stroll
through the splendid Porta Venezia area.
In both cases, we can enjoy aperitifs or other
refreshments in the historic local venues of the area.
